

April 2017

"I thank God through Jesus Christ for you" Rom.1,8 thank you for the kind support, and daily prayer for spreading the Gospel between the inmates in Romania. Good news and greeting from all of us.

Viorel's letter:

„I returned singing from the prison ministry several times. We had a very good time together, accompanied by our guitarist. We have prayed several times with those inmates who have opened their hearts for the Lord. This month, we help a family from Codlea whose husband and father is in prison with the HOPE FOR THE FUTURE project. Mihai is one of the best and most diligent inmate I have had in the course "The Way of a Happy Life". His family (wife and children) attend a Evangelical Christian Church and they want to baptize together. Hallelujah! I talked also with brother Yi Feng from China, and we even saw each other on WhatsApp. He reads the Bible, pray, i know he lives faithful. Praise God! Thank God for you all supporting my ministry in the prison.

Be blessed!

Viorel Sintoiu"

The volunteers are working with zeal. We are in contact with the brothers by telephone or email who report a good presence at our meetings. We have a particularly good support from the management

of the units. Unfortunately, we had to say goodbye to Mr. Brăiloiu in MCIuc, who held another leading position. May the Lord bless him for all he has done for us in these years! He was very helpful.

This month I had the opportunity to present the

prison ministry for high school students and on a special event in the hometown of Davidovics Fedi, too. A presbyterian church hosted this event, which took part of the annual community celebration called Saint George Days 2017. With the pastor and wife on the picture.

This month Baboi family had a difficult time, Marian's wife and children needed go to the hospital with serious cold. It happens every year. Now they are fine, but please pray for this family. I think they would take a good holiday with a treatment at the Praid Salt Mine. For years we have been offering our hospitality, but they refused us politely. Please pray also for brother Toth Zoltan, he has some serious health problems.

With love in Christ,
