

December 2017

„Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house.” Acts 16,31 It is a radical message for inmates and prison employees. I was contacted by the TgMures Prison to pray for an employee who is very ill. May the Lord give him healing and salvation! Please pray for him and for his family!

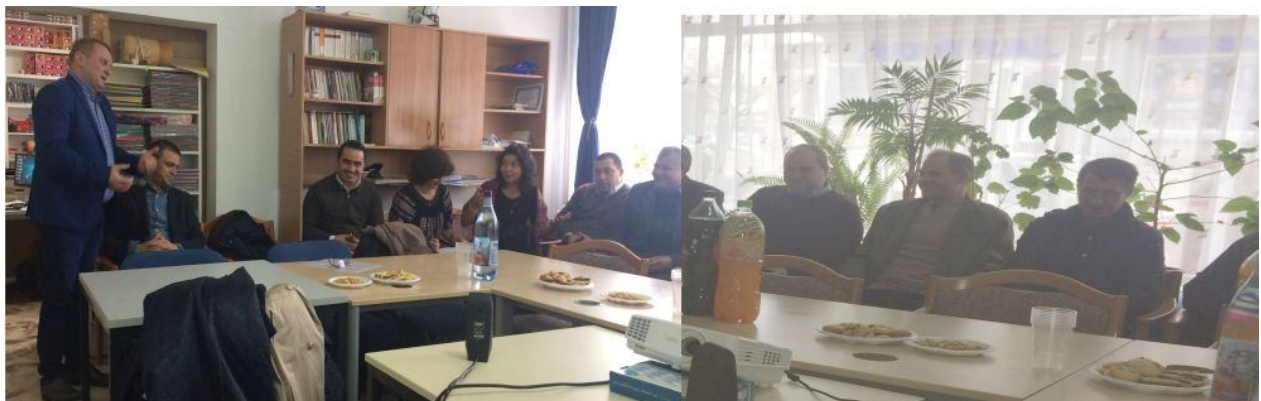

Daniel Vasile Gliga, este căsătorit, are două fete minunate, lucrează la Penitenciarul Tîrgu – Mureş și are 39 de ani.

La sfârșitul lunii august 2017, a fost diagnosticat cu **osteosarcom osteoblastic la nivelul membrului superior drept**, o formă de cancer apărută rar la adulți. Pentru a stopa avansarea bolii s-au început ședințele extenuante de chimioterapie, în număr de 4, până acum.

Thank you for support us and all the prayers. **Happy New Year!** I want to mention and thank Fedi Davidovics' Christmas gift for volunteers. They all greet you and send his best wishes!. We pray for you that our Lord Jesus bless you in this New Year.

Brother Baboi was invited to a conference in Tulcea Prison. The first time he attends this penitentiary at such an event. He is a very well appreciated volunteer. I have attached his merit diplomas received from each unit where he works.

Christmas gives an opportunity for reach many inmates with the Gospel and involve the local churches in prison ministry. Bibles and precious christian literature was introduced behind the bars. This year we distributed 300 parcels for inmates. It was also time for the renewal of volunteer lists for every prison for the year 2018. I have to redact and send nearly 50 faxes. Unfortunately, the pictures of these evangelizations are getting harder and harder. Many times the press abuses the

trust of the institution and controversial pictures of the detainees' lives appear, which is why even if a picture is taken we do not obtain them.

We have, however, prepared a small material with pictures of our evangelistic events:

Viorel wrote:

“We organized the Christmas celebration on 18th December in Codlea Prison.

I invited a group of 20 young people from the local Christian Church, they sang the carols in the main hall and I preached about the Birth of Jesus. Also Marius Bodnariu sang a famous Christmas song. I encouraged the group of inmates to sing with us a few well known carols. I encouraged them to open their heart and to receive the Lord Jesus as their Saviour. Many of them prayed with me at the end. Each inmate received a generous sweets package. We had a blessed time. God bless you all!”

Andras Attila also sent a picture of a former inmate (next to him) and his family. This person has succeeded with God's help to change and now he is already a baptized member in the Church, praise the Lord!

With love in Christ,
