

February 2017

"Give thanks unto the Lord, for he is good, for his mercy endureth for ever!" 1Chron.16,34
Thank you very much for your kind support and daily prayers. We pray that God would provide all your needs abundantly.

Meeting again with Kovacs family was a nostalgic event of the month. Ferenc is the pastor of a Presbyterian church. Looking back 20 years, Kovacs family has had a significant influence on our life. Their passion to serve God has molded me twenty years ago to leave the traditional church. Under their influence we choose soon to homeschool two of our children.

I was invited to present the prison ministry in their community. The information and the possibilities to serve among the prisoners were well received. I invited them after this, with their grown children to make a testimony in M-Ciuc Prison. It was a very blessed occasion for the glory of God. Then and now picture:

Baboi Marian transmitted some data from his ministry: in January he worked with 101 inmates, with 115 in February. He is very grateful for your helping him and making this work possible. God is good!

I had the opportunity to visit Doczy's mission. He serves in several communities of Gypsies in Mures County. It was a great joy to see brothers and sisters full of enthusiasm and love for Christ. Please pray for Brother Doczy and his family!

Here is a letter from Viorel Sintoiu:

„I got half way through the course: The path to a happy life. This group has members who are really seeking God. Marius Bodnariu plays guitar, singing 3-4 songs on each meeting. The atmosphere is very good. I have good news from Chai Yi Feng, he called me telling that he is okay, now he is learning to use the cell phone and laptop and he is taking care his mother. Soon we will talk on Skype, I hope to see him again and know his mother. Greeting you all! Viorel”

With love in Christ,

Kövendi
