

January 2018

"He only is my rock and my salvation: `He is' my high tower; I shall not be moved.
With God is my salvation and my glory: The rock of my strength, and my refuge, is in God.
Trust in him at all times, ye people; Pour out your heart before him: God is a refuge for us." Ps 62,6-8
We greet you in the name of our precious Savior.

Everywhere our activities have begun. We have great joy that the Lord is holding open this gate.
We glorify God by doing his will.

There is also an interest from Christian communities for our mission. We had a few occasions to present our work. I once did this with Andras Attila, who amazed the community with his musical talent. Many are praying for us and are interested in attending special occasions in the prison.

One participant testified at the end of the presentation that he had always a bad attitude toward inmates, but now his attitude has changed, he understands that we all have the same disease but in different stages. We need the same Savior to save us from sin. So, the inmates need our prayers and support. Praise the Lord!

Brother Baboi reports more than 70 participants on his programs. He and his family enjoy good health. In our country we enjoy a very gentle winter, which is a grace especially for our volunteer's trips. Previous years were occasions when his journey required heroic

efforts because of the blizzard.

Viorel wrote:

"In January we restarted the course "A Way to a Happy Life" with a new group of inmates. There are 11 people in this group. The first three meetings were very successful. I

have already begun to encourage them to pray personally.

I had the opportunity to meet in Covasna a man who was recently released from the prison.

He is Ferenc from Sfantu Gheorghe town. He attended our courses. We pray for such people to succeed in reintegration."

Thank you for prayers and support!

With love in Christ,
