

2016 June

"Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord." 1Cor.15,58

First of all I have news about Baboi Marian. He is a zealous, blessed volunteer and now the Lord has opened the fifth prison gate before him. This gate is called White Gate (word-for-word translation of Poarta Alba town). On 7th July he will start the weekly program there. Praise the Lord! It will be the 24th unit on our map.

Dantus sent pictures about the closing event with the current group of inmates. They received diplomas in a special environment, a picnic with their families. They are now so called "qualified fathers". I include the most relevant picture here. Pastor Dantus in the middle. Inmate with his diploma. Observe the happiness and the children and the wife's eye. I just admire

this picture and my tears flowing. Is there more rewarding thing in our mission seeing a family reunited by God's power, restore the confidence between family members? He is a person who wants and strives to become a good husband and a loving father. May God bless him and all the group!

We can not express in words what it's worth Dantus Julian's church involvement in this ministry.

Another historical event worth to mention is the Gypsy brothers action of building an outhouse next to their church. This is very important, knowing that the toilet does not currently part of their culture. It is a step forward even that they themselves make this effort. Pastor John is working with a group of brothers from the church.

The pit is already done.

MCIUC Prison organized again this year the Living Library event on 28th June. It aims to draw attention of the civilian population on inmates integration. They thank you for your kind sponsorship.

I and my wife have started the program in Iasi Prison since June. We spend two days there and we are welcome to it 6 hours and meet with more than 40 inmates. It's something new for us, but also a great challenge. In front of the most iconic building in Iasi on the picture.

Thanks be to God, which giveth us the victory through our Lord Jesus Christ!

With love in Christ,

*Kövendi*
