

2016 November

„Continue to remember those in prison as if you were together with them in prison” Heb.13,3

Dear Brothers,

Some ministry updates as following:

Viorel Sintoiu's translated letter:

”Our last biggest family event was on 29th noiembrie when my wife turned 40. I am thankful to God for her. We celebrated with her parents in Blaj.

In the prison ministry there is three more lessons and we finish the course with the current group of inmates.

I want to mention one of the meetings when I talked about God's love shown in Jesus Christ. I have invited the inmates to open their heart before the One who loved them. Most of the participants prayed with me. I

continued to visit Yi Feng, two times this month, and I returned home praising the Lord and singing.

Every time visiting him is a great excitement for us. Recently he made and sent a gift to the person who gave him a Chinese Bible, a beautiful painting with a very strong message. On 15th December we pray for a miracle, he will appear in court and he may be released after 22 years . He wish to

meet his mother after 25 years . I prayed for him and I encouraged him. Please pray for him that day, God performs miracles.

Thank God for you, be blessed! In Him, Viorel Sintoiu, Covasna.”

Baboi Marian was sick for several days but he recovered the lost meetings. We pray for his health. Not easy to travel these cold days. He continues to meet weekly with more than 90 inmates. He does a great job by God's grace. Brother Baboi wrote in his last letter that he pray every day that the people who heard God's Word

may know His love. He is involved also to initiate in our programs a new volunteer in his area. More details next month.

Hutu managed to hold an extraordinary evangelism in the prison. Here is a picture as it is sent from the prison (prepared with Anonymization tool).

Dumitru Costin sponsored Margineni team with a shipment of clothes for prisoners. Praise the Lord for his kindness! He began to work on a new program to prisons, obtaining permission to distribute special devotionals for inmates. May God bless him with success!

The new team in Oradea told us that things are going well. We pray for them to find pleasure in this ministry and God's blessing.

I and my wife spent an evening with family Onu in Iasi. We talked about a lot of details related to prison ministry. We prayed that the Lord bless them and make them possible the necessary permissions. Also his wife is willing to join this mission. She may teach some skills to inmates behind the bars beside his husband.

In this month Brother Hans Roth visited us with his wife. We rejoiced in the Lord for His grace. Brother Hans feels good. His son is part of a gospel choir in

Sighisoara. We plan to organize an evangelization through their presence in Tg-Mures Prison. Please pray for this event!

In Mciuc Prison after the difficult beginning with discipline problems the group of inmates have tamed a lot. It is a great satisfaction to see people become interested in the truths of the Bible and begin to change. They seem to find satisfaction in what happens there. I pray for these people only God can overcome the spiritual forces of darkness.

An other good news is that Gypsy Church community of Miercurea Ciuc managed to get sponsorship of roofing paper from the local Foundation Caritas to repair the houses leaky roofs. In this community many have repented last years. It is a blessing. Pastor John coordinates the project. We will come with details in December.

This year also we were sponsored by hundreds of Christmas packages for evangelization. We pray for blessing on these events.

With love in Christ,

*Kövendi*
