Greeting to all of you in the name of the Lord, "The Lord bless you and keep you!" Num 6.24
Some ministry updates:

Thank you very much for the prayers for Doczy Gyorgy, no longer had to be operated. The Lord works miraculously.

I translated Cristi Bondoret's letter about the Margineni Prison activity: By God's grace I know many people who come to our meetings and seek God among their tough situation. I want to write about a man named Nicolae. He is 63 years old, he came to the prison because of a reckless driving and he confesses that if he had known Jesus, his life would have another turn. Nicolae heard about Jesus in prison by his roommate Ionescu. He invited him to our meetings. He came and listened the word of God and received Jesus into his heart as Savior and Lord. Nicolae wanted to follow the Lord in baptism, but in the meantime lost his wife.

This tragedy has put him in bed. After a while he continued to come to our meetings, but with walking frame. He lost his ability to stay balanced, but he has the same desire to be baptized and follow the Lord, fulfilling His Word. We prayed for him and I asked the Lord to do His will in the life of Nicolae. God has answered us in a wonderful way: he was released soon after. He went home and I know surely he will do God's will, even if he walk with crutches. He has returned home as one who knows Jesus Christ. Even though he lost many, he found strength and comfort in Christ. Praise the Lord! We thank those who support our work, you are a great help in this field. That you to dose who are involved this work, obeying the Word of God: "I was imprisoned and you came to me." With love, Cristi Bondoret

Baboi Marian works in five prisons. Recently he was invited to an event organized by the Museum of Agriculture to represent our prison ministry. This collaboration comes to support our work in prison, we will see practically how in the future. On the picture you can see him with other church leaders at the same event. Marian reports the attendance: Poarta Alba 22 inmates, Tulcea 25, Braila 17, Tichilești 15 and Slobozia 14. All participants received New Testaments, and Christian literature.

I visited two of our volunteers Doczy Gyorgy and Andras Attila, on both occasions I was able to attend church services. Here is a picture of the Andras Attila's Church's senior pastor. Andras Attila's wife is very talented. Here is an exhibition where he exhibited many decorations and some honey produced by Attila.

I was also invited to a community of charismatic. They asked me to present the prison ministry of and do a demonstration how we work with prisoners. It was a blessed occasion, most participants at the meeting testified that they heard many new information and want to do something in the future for detainees.

In Miercurea Ciuc now we have a very difficult group. We reached to the third lesson and I had many confrontations with the evil spirits. I confess that until now I have never had such battles. But we can say that the direction is by our side and support us. We pray for a spiritual breakthrough by Holy Spirit till the end of the course.

Viorel Sintoiu managed to complete the course with a group of inmates in

Codlea Prison. The last meeting was held in a festive atmosphere. He confesses that many were blessed in their spiritual lives.

For Iasi Prison we found a potential volunteer, soon we will enter with him in the prison. He is a fellow professor at the city famous Christian college. Pray for this person.

Oradea Prison gave the last approval for Elekes's group. It is a step forward; we hope to be able to start work soon.

The Gypsy Church finished to install the chapel's floor.

With love in Christ,

Kövendi
