First of all, I'd like to thank you for the Bible, I love it, and the free lessons you have sent me. Thank you so much and God bless you all. I'd like to ask you to have me and my family in your prayers, for I'm doing my time in prison and away from my family. It's the first time and very hopefully the last time I've been here and away from my wife and kids and family. But hopefully in Jesus Christ name I get to go home soon. Again thank you and God bless. Oh and Happy Holidays!!!!

God bless,
