Berean Study Partner,

Hello, I use the term Study partner because I don't know what to call you, I want to thank you very much for helping me with the most important part of my life here on earth, the person who has been grading my studies is an awesome, awesome, mentor, and I do as she/he tells me to do, and it helps me with my relationship with our lord, now I have started to help/mentor others, very lightly, I do know my limitations, all things are possible through God, I now fully understand that statement, I would like to close with this - "always Rejoice, pray without ceasing, and be thankful in all circumstances" - God Bless you all and thank you again for every thing you all do for us

sincerely in Christ
