To whom it may concern,
thank you so much for the
Bible a the basics bible studies
that you have send to me.
I love to recieve more lessons,
the lessons 1-4 have help me
to understand more then I have
ever learned in my life. I am
43 years old now. I want a
new change in my life with
the help of Jesus Christ. I
haven't been able to do it
on my own.

Thank you so much
