

"Blessed is the one who trusts in the Lord, whose confidence is in him. They will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit." Jer.17,7-8 Thank you for your invaluable support to send Brother Ken and Fedi helping us finding new volunteers. It was a huge sacrifice spending a month in our country. It was the most fruitful month of the year. We drove more than 6000 km. We met 9 churches. We had 5 official meetings, one with the General Director and others with the leadership of four prisons. (many pictures in attachment) We had meetings with many people whom we presented our mission and challenged them to join us. The result is **four new prisons and new volunteers**. Together with Brother Ken, I spent many hours traveling through the country. It was a blessed time.

At the end of the month the most important event was our annual meeting. This time the guest of honor was the **Bodnariu family**. It is a great honor to work with them in the same team. Brother Marius Bodnariu have been working for two years in Codlea Prison. He had a blessed testimony. This family's drama unified the worldwide Romanian community in a global protest, when the Norwegian Child welfare agency abusively confiscated their five children in November 2015. The parents were accused of „Christian radicalism and indoctrination”.

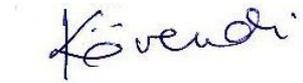

Seeing the international pressure the Norwegian government returned the children after seven months. Then they decided to move home to Romania. Viorel Sintoiu met them and invited to prison ministry. May God bless them!

Despite all the joys, there are reasons to continue praying. Brother Fedi Davidovics is very sick. For the Romanian team he is a very special person, he was the God's tool to start this mission here. We pray for him, that the Lord may show mercy on him.

With love in Christ,

A handwritten signature in blue ink that reads "Fedi Davidovics". The signature is written in a cursive style with a distinct loop at the end of the name.
