

February 2018

“For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.” Eph 6,12  
Prayer brings light to darkness. Thank you for choose to hold on in prayer for the prison ministry in Romania.

We give glory to the Lord for all the volunteers. They attend the meetings regularly. Here are some remarkable events in February.

Brother Baboi reports a very good presence in the programs he supports. Recently, the south of the country has been hit by a heavy blizzard and he has failed to get to the meetings but he has agreed with the units to recover the opportunities when the roads will be unlocked again. We pray for him, that the Lord protect him. A picture about his family.

As I reminded you, Costin Dumitru in Găești Prison has initiated a new program. He reports very good results, interest from participants and the leadership kind support. We praise the Lord. With this program, by the grace of the Lord, we

have succeeded in enriching our offer of programs. It matters a lot if we have that goal to get as many prisoners as possible with the Gospel.

Brother Dantus disappeared for a short while from the ministry. He joined the army as a lawyer, and then moved from Focsani to the center of Transylvania in the city of Cluj. Meanwhile, he found support from his new Church there and restarted a programe in the Gherla Prison. We are very happy for his coming back. May the Lord bless him!

As I told you in my November letter, a young Christian social worker wants to join the prison minity with his church from Dorohoi, near Botosani Prison. Here is their first evangelistic encounter in Botosani Prison. They also wanted to come up sooner in Christmas, and 45 young men in the Church

enrolled on the list. Then the prison did not approve of such a large group and told us to regroup 5 people for each possibility. For many years, Brother Hutu has done the mission only with his family.

Now he has received a welcome help. Praise be the Lord! I still talk about different requests from different communities to present prison ministry. There are churches, who really help us and want to get involved in the mission.

Recently I was invited to a Church where I had the opportunity to give good news from our ministry. Many have prayed for the detainees.

With love in Christ,
