

To whom this may Concern
I am 50yrs old and Currently Incarcerated
at _____ Correctional facility. I have
had a terrible alcohol problem for many
years. Alcohol has caused me to make
many poor decisions which ultimately
landed me in prison. I am without a
Bible and hope that you may be
able to send me one. I have always
believed in God, but at this time in
my life I would like to study the
word unlike I ever have. I hope that
you guys can send me a Bible. I
promise that I will put it to very
good use.

Respectfully

I would love a large print
KJV Bible. My Address is
