

Chaplain,

Friday 12-18-15

Dear sir. First of all, I would like to give thanks to you for the blessings I have seen come from your office. As you probably noticed from the return address, I am currently incarcerated in the Buster Cole state jail unit. My first hand accounts from people receiving your Bibles, joy. Like a Christmas present on Christmas day. Not much in here brings happiness, but you sir should be proud that you have. You and all involved. If possible I would love a large print Bible. In all that you do, may God bless you and I hope you all had a Merry

Christmas
