

To whom it may concern -

Thank you for the opportunity to be a part of this program and for helping me find my way back to a relationship with God. Much like the prodigal son I strayed for far too long and thanks to your study I have found a new desire to be a more loyal christian and have a closer more intimate relationship with God. I have found a peace that I've longed for far too long as well using drugs and alcohol to try to cope and find peace only took me further from the peace that only God can provide.

I often struggle with letting God be in control despite the fact that me being in control has inevitably always ended in despair and destruction. I ask and pray that you will pray for me that I will be able to turn all of my life over to God and sustain the peace and hunger for his word and his way that has been rekindled in me recently.

Your brother in Christ, God Bless
You -
