Dear Chaplain :

Just a few lines to say hello, hope you in good spirited feelings, as for I, very happy to have received your holy bible, otherwise, doing very well, thank-you.

I am sending you a big thank-you and saying some prayers for you chaplain and your staff. for providing me this beautiful bible, the word of God, once again thank-you.

I am sixty yrs old my eye-sight is getting weak, and with this big print bible, I can continue my bible studies, and even after my release from prison, I have three motherless grand children to help raised, and this bible will be very very use ful to me.

May God Bless You

All,

sincerely, Your
