Dear Chaplain Paul,

Hello there friend, Hope this Letter find's you well. I recently received the Bible. ☺ Thank you very much. You Don't understand how much that meant to me. I also got the "Bible Study Course". And I am going to Do it and I really Hope that I can receive a Certificate. There is only one thing tho. I'm not sure if I ~~do~~ Do Each lesson at Different Time's or Do it all at once so if you Don't mind I'm going to Do lesson's 1 and 2 and send them out with this letter then wait to here Back from you then I'll Do lesson 3 and 4 and send it out with my next letter after I hear Back from you frist tho. Also It would Be Better Because I can't afford to send a letter out with each lesson after I Do them so I figured it would Be okay with you and to Be Honest I'm not even sure if ~~or~~ I'm suppost to send them one at a time or all 4 so I'll just send them IN 2 different letters okay ☺

GOD Bless! (11)

So I just got threw with lesson One. I should finish lesson 2 IN the A.M. Then get them sent off to you. With the Holiday's right around the corner you prob wont get them nor this letter ~~was~~ until the 1st of the week ~~around~~ around 28th or 29th of Dec. Shouldnt take that long for you to get the well It's getting late so I better close for now. Thank's again Brother your friend,
