

Dear Chaplain Meister,

11/24/15

Thank you for the large print study Bible. I also want to thank you for the Bible Study lessons. They've already put the Bible to good use.

I can only Thank God for sending you to me. I also have to thank Him for sending me someone to get to you. So yes God has many soldiers. As well as, many enemies.

I know He said, "I will never forsake thee." How many times will He accept one of His sheep /flock to repeat walking or turning his back on Him.

I know God can use His flock/sheep in any place & at any time. He must have a purpose for me here. What it is I do not know, yet. But, does any body really know Gods' plans for us?

Again, I just want to thank-you for the Bible & the lessons. May God Bless you & everyone else at Berean Prison Ministry.

Sincerely your brother in Christ,
