

My name is _____ my number is _____
and I'm housed at _____ court
ordered to A³D. Upon violating my probation -
a side-bunkie actually passed these studies on
to me and I have very much enjoyed them. I
couldn't put my bible down.

As I am new to this, (3 months) my life is a living
testimony and I would love to share it with many - in
hopes that it might help someone else. Since I've turned to
God, my life has amazingly fell into place, although I'm
here at the time - I know God is using me - and I know
I have a purpose - although he's not revealed it
to me yet.

I just want to thank you ³ any others who
reach out to "prisons" or other places - sometimes
people don't realize things - and it still shocks me of
the people HERE who don't even know Jesus, being I
was raised in church, it's all a little crazy to me - I
never realized so many people never even knew of Jesus.
The world has become a sad place - so thank you
all who reaches out ³ shares the Word with the
lost. May God bless you. Give all praises ³ glory to
God, for with him, nothing is impossible.

Sincerely,

PS

If you have any
suggestions to how I may share my testimony ³ get
it out there, or how I could get my story out to others
as I feel, it would probably help ALOT of others - please
~~me~~ feel free to advise me. Thank you in advance and
please send me my next few studies -

May God Bless You !!
