

April 2019

"Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believest thou this?" John 11,25-26 Our message among the worst people of our society is that Jesus can rebuild a broken life, and whoever believes and lives in Him, has eternal life. We celebrated the Day of Resurrection, Jesus really defeated death.

In all the churches in our country, the hymn of triumph upon death sung: "Christ is risen from the dead, trampling down death by death, and upon those in the tombs bestowing life!" All the volunteer team greet you and wishing you our Lord's grace. May the Lord bless you abundantly for your faithfulness supporting us in many ways. Some news:

A piece of important news is that Baboi Marian has rented an apartment in Cernavoda, in a larger city and with better access routes to mission points. He will be a member of a larger church. For this new step, they prayed for more than a year. It is also a great blessing the fact that this town is at a distance of 10 km from Georgiana's parents, who have an agricultural land from where they will get better supplies.

I had a special activity in MCIuc Prison with pastor Dragu Angel who is a leader of a biblical school through correspondence. His presence in our mission is a step forward because he will correspond with more inmates in the future.

This month, I had the opportunity to present prison ministry to a church and challenging the brothers to join.

Brother Dantus has also communicated good news from his ministry, he will soon end a program cycle with a group of inmates in Gherla Prison.

Brother Costin informed us that it is possible that as soon as possible we receive 5000 devotionals for the inmates. We will share them personally with everyone we work with. It is a great blessing!

With love in Christ,
