### GRACIA BURNHAM

Gracia Burnham knows what it is like to have life spin out of control. While missionaries in the Philippines, Gracia and her husband Martin were kidnapped by terrorists and spent the next 13 months as hostages in the Philippine jungle. On June 7, 2002 captivity ended for these two missionaries in a violent rescue that left Martin Burnham dead and Gracia wounded. Their story of faith in the midst of terror and tragedy is known to millions. Gracia Burnham is the author of the New York Times bestselling book *In the Presence of My Enemies*, author of the popular new book *To Fly Again*, and founder of The Martin & Gracia Burnham Foundation.
