"This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success." Joshua 1,8

The Bible is inspired by God Himself! It is His Word, containing His wisdom, His goodness, His intentions, His judgements, His heart. This month was about transporting and distributing daily devotionals for every volunteer. We experimented that God's Word can heal even the most vicious offender.

Besides the regular weekly activities, I travelled a lot through the country. This gives occasion for good meetings with our volunteers. This books of devotionals for every day of the year, is a blessing for our ministry. We managed to spend some time with the new volunteer Dragu Angel (last time mentioned in my April letter). He deals with correspondence courses from now on and sends our books to the detainees he is related to. He is a pastor of a church near Brasov, a zealous man for sharing the gospel.

The visit to Brother Baboi was the most blessed thing I had this month. He lives far from me and we can rarely meet. This time we managed to spend a whole day with him and his family. In the morning I arrived and helped with the transport to the Tichilesti Penitentiary. After the program we came back home together. As I wrote, he moved to a larger city with better possibilities to reach the five prisons. I saw their apartment they rented, it is spacious and beautiful, very close to the train station.

This month I finished the course in MCIuc and Mioveni Prisons with very good results. The word of God appeases even the most rebellious spirits, that's what I noticed again in this group. At the last meeting we said goodbye as Christian brothers. I pray that the Lord bless these souls! Waiting in prayer to restart with new groups.

Thank you for prayers and support!

With love in Christ,
