

June 2019

“Go, therefore, and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit” (Matthew 28:19) Praise the Lord for the prison door is still open and we can announce the gospel of those souls. Thank you for praying for us. I want to let you know a few things for which we are very happy in June. Here's how God blessed us:

A special event was the baptism in the Gypsy Church in MCIuc. I was invited to this event which I considered a great honor and proof of God's faithfulness to the prison ministry. This church is the fruit of prison ministry: Lord Jesus works in this community. Pastor John led the event, some other pastors were invited as well from other churches and even the national community leader showed up . For John it was also a family event because this time two of his sons were baptized. There

were many testimonies, and then we went to the river Olt where the baptism was held in the water.

Finally, we have 5000 devotionals for the detainees. This mean more than two tons of books . In the next few days, we have to transport the necessary amount for each volunteer. We praise the Lord for Alexandru Savu, the volunteer from Costin Dumitru's team, he translated the book and worked a lot so we can use it in the prisons in Romania. So I think it is also the premiere achievement in the prison ministry in the country.

My son contributed to our work with a special computer application where we can digitize our tests that belong to each lesson of the penitentiary program. This program helps to make the questionnaires very useful. The final test is important for detainees. As a programmer, he used his talent for the work of the Lord. It is a blessing for us.

We pray for you that the Lord bless you. Thank you for your encouragement messages.

With love in Christ,
