**The online ministry continues.**

"Hitherto hath the LORD helped us" 1Sm 7,12

We greet you in the name of Lord Jesus and wish you many Happy New Year. We end the year with thanksgiving to God, who has brought grace upon us in all our trials and helped us to keep our trust in Him. We had the joy of reopening of the prisons gates. We were able to resume the ministry in a different form, but with unchanged content of the Gospel of Jesus Christ.

We keep you in our prayers, we thank you for your faithfulness toward us. We pray to the Lord to keep you in good health and faith. In previous years we prayed a lot for Feri Davidovici. I also received news about Bill Schick, now the whole group is in prayer for him. May the Lord be with him, and give him wisdom and joy at this stage of his life.

As our brother Viorel informed you in July that he was invited to the baptism of a former inmate, now he informs us that this person is getting married. Here is their picture. It is a great joy to hear such news, a life healed by the blood of the Lord Jesus. Viorel is invited to his wedding.

Our brother Angel Dragu also sent good news from the mission of the church he pastors, he works with some young people whose spiritual development is obvious. Praise the Lord!

With love in Christ,
