

November 2020

"Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name. For the Lord is good; his mercy is everlasting; and his truth endureth to all generations." Ps 100,4-5 With great joy in our hearts we greet you in the name of Jesus Christ and thank you for your support and prayers.

With great joy, we inform you that five more prisons (Codlea, Braila, Tulcea, Poarta Alba, Slobozia) have made it possible to have online activities. Due to the pandemic, the groups are smaller in number, but consecutively we can hold activities with two or three groups. We are experiencing the grace of the Lord. To be honest, we still miss our personal meetings a little bit.

We are getting used to all the advantages of digital technology. I try to see the good parts of the situation: I don't have to get up at 2 in the morning to start a road of several hundred kilometers, I don't have to look for the condition of the roads in winter to plan which pass through the mountains I cannot drive, I sleep peacefully till morning, we talk more with the volunteers, and I even participate more often in the programs held by them.

We are still waiting for all the units we worked with until the spring to make it possible for us to continue our activities. We pray that the Lord will open new doors for us to proclaim the gospel.

With love in Christ,

Kövendi
