"The LORD is my portion, saith my soul; therefore will I hope in him. The LORD is good unto them that wait for him, to the soul that seeketh him. It is good that a man should both hope and quietly wait for the salvation of the LORD." Lam.3,24-26

### **Online Prison Ministry**

I would like to give you very good news. All activities are restarted through an online format. Praise God! Yesterday we had already online activities with two groups of inmates from Galati Prison. It is the first unit where the hall has already been arranged and the equipment necessary for running the programs has been installed. Next week we will receive the inmates' worksheets by email, we will have to print them, then correct them, after that we will scan them and send them back to the institution. Will be possible to share any digital materials through the computer screen. I have had various correspondences with other units where they are in the process of being ready for such activities. We had discussions with volunteers and they are all ready to resume the ministry. We pray that the Lord will bless the team of volunteers so that we can serve in these conditions as well. In the same way, we pray for you that the Lord will open the gates of the prisons in your country.

With love in Christ,
