

June 2021

Dear Brothers,

We greet you in the precious name of the Lord Jesus. „Grace be unto you, and peace, from God our Father, and the Lord Jesus Christ. We give thanks to God always for you all, making mention of you in our prayers.” 1 Thess.1,1 Thank you for your messages of compassion. It is an honor to have fellowship with you, to work together in this blessed ministry. Our team found out about the trials that Feri Davidovics is going through, we are united in prayer, we hope that healing from Heaven will intervenes in a miraculous way in his body. We wish him blessings with all our heart.

We are fine, Brother Doczy suffered a lot of pain after the operation, but we can say that his condition has improved a lot. Thank you for the prayers.

Here the work is in progress by the mercy of the Lord. I want to inform that first time I was able to invite a church group to contribute to our programme. I also attached a picture. It is a great blessing that new possibilities are slowly opening up in these pandemic conditions as well. The inmates received their testimony with tears in their eyes. We give glory to the Lord. We

pray for radical changes in their lives of those who participated.

The Lord can also use the on-line technique as a mission tool. This month we managed to contribute with a donation to the development of this internal communication system in the institution through which our media materials are broadcasted too. Miercurea Ciuc Prison thanks you for your kind help.

Our dear brother Angel Dragu shares some pictures from his charity. There are many who are missing and the church is present in these challenges. Likewise, Brother Baboi Marian sends you an account of his work.

We wish you good health, may the Lord protect you from all evil! We look forward to seeing you.

With love in Christ,

Kövendi
