„The steps of a good man are ordered by the LORD: and he delighteth in his way, Though he falls, he shall not be utterly cast down: for the LORD upholdeth him with his hand.” Psalms 37,23-24

Dear Brothers,

we wish you the blessing of the Lord Jesus. We are confident that you are healthy and have only good. Thank you very much for your messages of encouragement and greetings. It is a great blessing for us to partner with you. Thanks for the prayers for our brother Doczy, he was operated on 18th May, he is fine now, he is healed by the grace of the Lord. I also share good news from my family, the third grandchild was born. His name is Ezra. We praise the Lord for him and we rejoice in the Lord that he and his mother are healthy.

Things are unchanged with us, we still work online. In order to have an image of our work, I am sending you some pictures attached. Please do not publish them on the internet because we do not have permission from the prisons.

New requests came from some churches to talk to them about our mission. Thank God we have the freedom to proclaim the Gospel again on these occasions.

With love in Christ,

Kövendi
